

Original Bavarian base and speciality malts since 1856

## IREKS Chocolate Malt

<b>Colour:</b>	800 - 1000 EBC
<b>Lovibond:</b>	300 - 380
<b>Type of beer:</b>	Schwarzbiere, Porter, Stout, craft beers
<b>% of the grist:</b>	≤ 5

### Description/Application:

This IREKS roasted barley malt does not only give the beers a more intensive level of colour, it also provides impressions reminiscent of dark chocolate or coffee.

### Standard specification:

			Method*
Extract, dry matter	> 70	%	R-260.02.080 [2016-03]
Moisture Content	< 5	%	R-200.18.020 [2016-03]
Wort Colour	800 - 1000	EBC	R-261.01.110 [2016-03] R-267.01.110 [2016-03]
Protein Content, dry matter	< 13.5	%	R-200.20.030 [2016-03]

\*Analysis method according to MEBAK, Raw Materials, 2016

Brewing grain is a natural product and is subject to qualitative fluctuations which can have an effect on the specification values listed.
